

## **ANTI-RAGGING-CELL**

LUCE has anti-ragging cell consist of Principa, incharge teachers, guardians, alumni and Police inspector. This cell works for the spreading awareness about the ragging and its effects on victims along punishments on people involved in ragging. This cell also bring awareness among school and college students about approaching teachers and committee members or directly they can contact anti-ragging department if they observe or identify some kind of elements in their surrounding and ask for the help.

LUCE made it mandatory to all the students to fill online form prescribed by UGC on their site on anti-ragging to make them aware about the ragging, if they involve in any kind of act they have to face the consequences for that. Form has parents and guardian's signature too for awareness about the ragging.

Under this cell, LUCE had organized session on Jagruk Mumbai on 14th August, 2019 by Mumbai Police. They discussed that mumbaikars has to be alters, should not believe in rumours. They also shown and aware about the harmful and destructive weapons and Immediate persons to contact at the time of emergency along with helpline numbers were shared with the staff and students.

LUCE had organised talk by Mr. Jagdish Rane, a Police inspector from Dindoshi Police Station on Ragging and its effects for student-teacher on 29 th August, 2019. On the basis of information given by him LUCE students had created presentations for spreading awareness among secondary school students and junior college students about ragging during their internship. During this awareness programme they had given help lines numbers for emergency and punishments if they involve in such kind of activities. Students had conducted role play, discussions, power point presentations, showed videos and movies to sensitize students, discussion on real life examples and slogan writing for spreading awareness among students and making them sensitize about ragging.
