❖ **Campus Placement:** A total of 50 institutions were approached for campus placement.

All the faculty members visited various institutes multiple times taking confirmation from

different schools and colleges for campus placement. They were allotted time and dates to visit our institution at their convenience.

On 31st Jan 2023, Universal Group (schools) conducted interviews prior to other institutions. The Campus placement drive of LUCE 2023 was scheduled for three days - 2nd, 3rd, and 4th February 2023. A total of 33 institutions agreed to participate in on-campus recruitment. A few institutions informed us that due to their pre-occupied schedule, they will do the recruitment later, they will be visiting the college in the mid of February while a few institutions have asked the in-charge teacher to mail the CVs of the candidates as per the vacancy in the respective institutes.

On the 2nd, 3rd, and 4th of February, different schools and colleges conducted on-campus recruitment. 78 students appeared for the campus recruitment and 62 were shortlisted.

❖ **Post Campus :** The shortlisted candidates appeared for the demo session and final round of interviews. 47 students were offered a job till today. 9 students didn't accept the offer from the institutions due to the job profile offered, distance from the residence, and salary criteria.

38 students accepted the job offered to them while a few students are still waiting for the interviews scheduled and demo sessions.

93% of the students appeared for the Campus Recruitment 2021-2023

80 % of the students were shortlisted

60% of the students were offered a job

11% of the students opted out due to distance, salary structure, and job profile offered.

49% of the students accepted the job

The process is still going on.
